

**TOWN OF DERUYTER
RULES FOR DECORUM AT PUBLIC MEETINGS**

Town Board meetings are required to be held in public for the purpose of allowing the public to *observe* the meetings. The law does not require that a Town Board set aside time at regular meetings for public comment, except for the case of public hearings. Public participation is the purpose of a public hearing, which is required prior to the adoption of a local law or ordinance and in other cases, as specified by law.

The Town Board believes that a public comment period should be scheduled for each meeting. However, it believes that it is important that all periods of public input - whether they be public hearings or a public comment period – should abide by a set of rules that are designed to ensure that good order and civility is maintained at meetings.

The purpose of the public comment period is to discuss Town business only. Individual problems, concerns or questions of the public should initially be addressed to the Town Supervisor's office, rather than be brought up at Town Board meetings. This will allow the Supervisor to gather the necessary information and/or personnel to address those concerns. If those concerns are not addressed to the satisfaction of the individual, then redress by the entire Town Board may be the next option.

The Town Board of the Town of DeRuyter adopted this policy by resolution on May 10, 2012:

**PUBLIC COMMENT PERIOD/PUBLIC HEARING/PUBLIC INFORMATION
MEETING**

1. By statute, the Town Supervisor, or in his absence, the Deputy Town Supervisor, is the presiding officer over every Town Board meeting. It is the presiding officers right and responsibility to direct meetings and make decisions that will, in his/her judgment, inure to the benefit of all those attending;

16. If after a final warning, the speaker refuses to step down, the presiding officer may have the person removed from the Town Board meeting room.
